Instructions on how to fill the Form

Swiss National Cleft Lip and Palate Registry

Thank you for helping in the creation of the Swiss cleft lip and palate patient registry!

Please find below some advice on how to provide the best feedback.

- If possible, please use a black or blue ink pen to fill the form.

Country

--	--	--

- When filling “boxes” (i.e. ) please use **CAPITALS**, writing inside the box.

- Please do **NOT** cross over sections that you leave empty, as this will confuse the optical character recognition module and likely cause false information to be recorded.

Other anomalies	Craniofacial area: <input type="checkbox"/> yes <input type="checkbox"/> no	Respiratory system: <input type="checkbox"/> yes <input type="checkbox"/> no
	Eye abnormalities: <input type="checkbox"/> yes <input type="checkbox"/> no	Renal system: <input type="checkbox"/> yes <input type="checkbox"/> no
	Cardiovascular system: <input type="checkbox"/> yes <input type="checkbox"/> no	Skeletal system: <input type="checkbox"/> yes <input type="checkbox"/> no
	Details or other findings: _____	

- Please do not draw or write annotations on the form outside of the “Details” free text lines.
- Please use only the “Details” or “Summary” free text lines to add information, **writing legibly**, or add an extra page to your submission if you feel that additional important information should be submitted.

- The boxes in the top left corner, such as this one , are used for form identification, please do not blacken them.
- Should you have any problem in filling the form or submitting your fax, please call the University of Geneva Children’s Hospital research platform (022-372-4540) or contact the investigators (Dr Giorgio La Scala Giorgio.LaScala@hcuge.ch, Dr Emmanuelle Dorie Emmanuelle.Dorie@hcuge.ch, phone 022-372-4663, fax 022-372-5484).
